The library hosts an End of Summer Celebration, plus Organizing for Student Success virtual workshop

Celebrate the Virtual End of Summer Celebration, which mark the end of our Summer Reading Program, on August 1. The event takes place live on Facebook or YouTube. Join library staff as we share all the wonderful, new things we learned and stories we shared together online. Don't forget to track all of your summer reading activities in [Beanstack](#) for a chance to win prizes!

On August 2, the library hosts Organizing for Student Success, a virtual workshop with Jane Cole CPO®, a Certified Professional Organizer. Here she will share some helpful practices that both students and caregivers can use to create an educational environment at home.

All these virtual events and so much more are available to you online for free with your Orange County Library card. If you have any questions about the information shared below, contact us as 407-835-7323. Check us out online at ocls.info for a complete listing of all library events.
