Learn the basics of QuickBooks Pro, master the green screen and more

In December, the library will teach a series of workshops on QuickBooks Pro. Visit various branches and learn the basic of how to organize your business or personal finances. See below for dates and locations.

On December 10 and 16, the Melrose Center will host How to Make Green Screen Videos. Learn to light and shoot a green screen movie or clip for your next big project. Apply your skills using Ultra Key Effect in Adobe to make a finished project you'll be proud of.

If you have any questions about the events or information shared below, contact the library at 407-835-7323. You can also check for more library events online at www.ocls.info.
