### **September is National Library Card Sign-up Month**

The Orange County Library System joins libraries across the country in celebrating National Library Card Sign-up Month.

Library Card Sign-up Month began in 1987 and has been held every September in correlation with the start of the new school year, saving parents and students hundreds of dollars on educational materials and services.

Orange County is home to an award-winning library system. With an OCLS library card, you can have access to countless resources and material available for use such as:

- Access to free digital media including e-books, audiobooks and movies available through Overdrive, Hoopla, ePULP and more
- Educational databases with virtual homework help and STEAM programs
- Technology workshops and classes including Microsoft Office and Adobe
- Learn a new language like American Sign Language
- Explore local attractions through the library's culture pass program, Local Wanderer
- Endless virtual events like storytimes, arts & crafts, photography classes, fiber arts, etc.
- Materials delivered to your home inside our Blue Bags of Happiness
- Special chats and Q&A with authors and local community leaders
