Local artists exhibit *Themers and Dreamers* on display at Orlando Public Library this winter

After finishing up its showcase at CityArts this past month, the *Themers and Dreamers* exhibition makes its way to the Orange County Library System. Visit Orlando Public Library from December 18, 2020 through February 28, 2021 to view the works of creatives and artists, many of which have been affected due to the COVID-19 pandemic.

The collection includes multimedia pieces of recognizable characters, popular Orlando attractions and more. In addition to the art work being sold on the Downtown Arts District website, prints will be available for purchase in the Gifts & Greeting store, located on the first floor of the downtown Orlando library. This is a great way to support these local artists and get some last-minute holiday gifts.
