**The Friends of the Orange County Library System hosts
Virtual Curtis Earth Trivia Fundraiser**

(Orlando, FL) – On November 13, the Friends of the Orange County Library System teams up with Curtis Earth Trivia for a lively fundraiser to support the library. Players can participate from the comfort of home by logging in via Zoom. Go head-to-head on questions about pop culture, history, sports and more. Proceeds from ticket sales benefit the Friends, an all-volunteer nonprofit organization that raises money to enhance library events and programs.

For just \$20, participants may play individually, or they can sign up to play in teams of up to six individuals. Players who would like to register as a part of a team should choose a team name and notate this team name on each individual ticket purchase. All individuals will be automatically entered to win a selection of door prizes including a Wine or Beer Class at Total Wine & More valued at \$500, a \$50 Barnes & Noble Gift Card and more. The top three winning teams or individuals at the end of the final round will be awarded these prizes.

Virtual Curtis Earth Trivia Fundraiser takes place on November 13 at 7:30 p.m. Tickets are on sale now at oclsfriends.info/events/.
